Member Onboarding Guide

About This Club

The AWS Cloud Club at A P Shah Institute of Technology is a student-led community focused on educating members about the AWS Cloud and its various use cases, including those related to security, AI, business analytics, and business transformation. We teach students about the benefits of the cloud and how to apply cloud technologies in the real world.

This guide walks you through every step to become a member on Meetup.com and join the group.

Step-by-Step: How to Join

Step 1 — Visit the Group Page

Open your browser and navigate to [meetup.com](https://www.meetup.com). Search for "AWS Cloud Club at A P Shah Institute of Technology" or browse AWS Cloud Clubs to find the Thane, India chapter. Click on the link to open its page – <https://www.meetup.com/aws-cloud-club-at-apshah-inst-of-tech/>

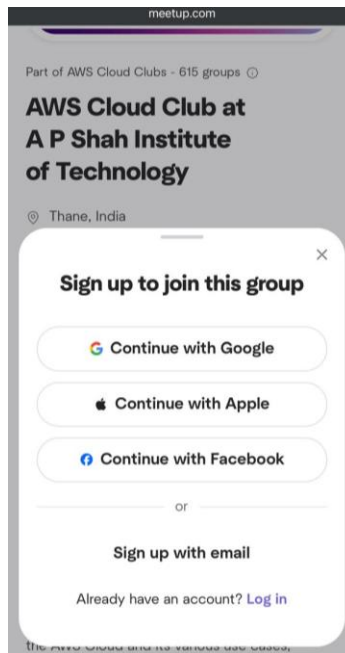

Step 2 — Sign Up / Log In

A sign-up sheet will appear. Choose one of the following options:

- Continue with Google (recommended)
- Continue with Apple

- Continue with Facebook

Or select **Sign up with Email** if you prefer not to use a social login. If you already have a Meetup account, click Log In instead.

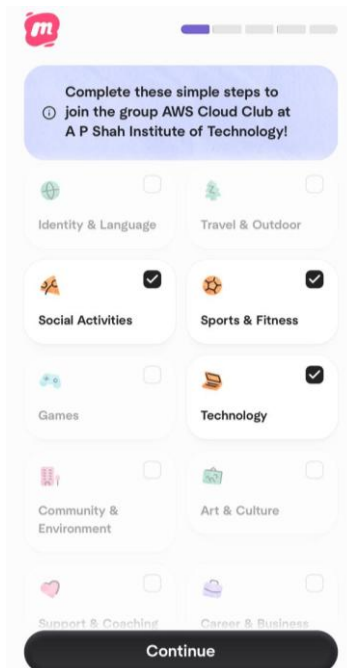

Step 3 — Complete Your Profile

On the "Finish signing up" page, fill in your Name, Location (as Thane, IN), and check the age confirmation box. Click Sign Up to proceed.

A screenshot of the "Finish signing up" page in the Meetup app. The page has a back arrow and the title "Finish signing up". It contains three input fields: "Your name" with the placeholder "Your Name", "Location" with the placeholder "Thane, IN", and "Age" with a dropdown menu. Below the "Age" field, there is a checked checkbox and the text "I am 18 years of age or older." At the bottom, there is a large "Sign up" button. Below the button, it says "By signing up, you agree to Terms of Service, Privacy Policy, and Cookie Policy.".

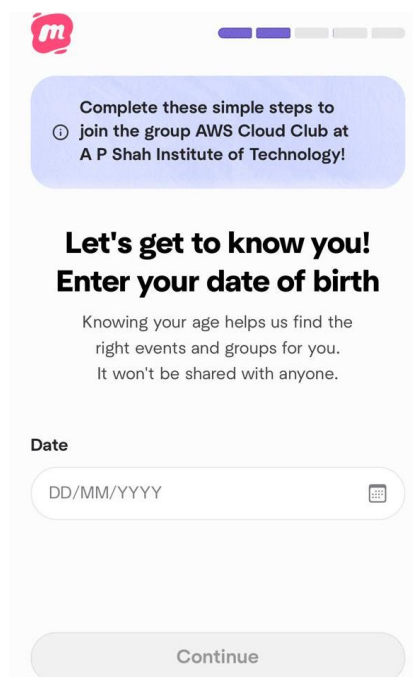

Step 4 — Choose Your Interests

Select interest categories. Recommended: Technology, Career & Business, Community & Environment. Tap Continue when done.

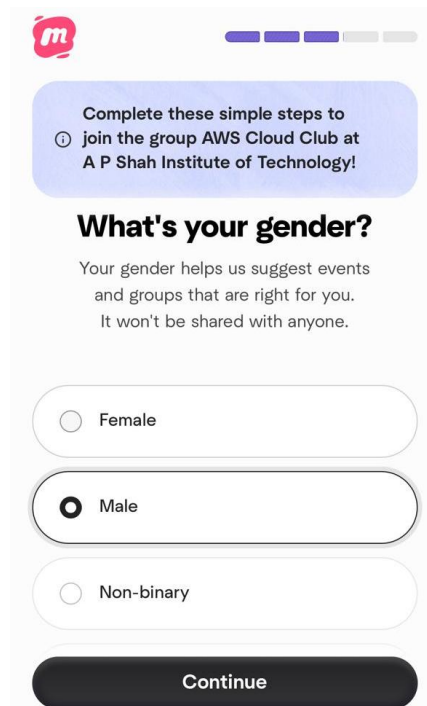

Step 5 — Enter Your Date of Birth

Enter your date of birth in DD/MM/YYYY format. Your age will not be shared publicly. Tap Continue.

Step 6 — Select Your Gender

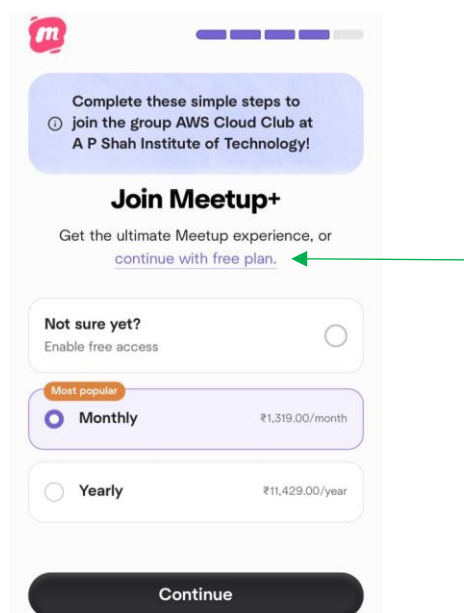

Choose Female, Male, or Non-binary. This is used to suggest relevant events and will not be shared with anyone. Tap Continue.

The screenshot shows a mobile app interface for gender selection. At the top, a blue banner reads: "Complete these simple steps to join the group AWS Cloud Club at A P Shah Institute of Technology!". Below this, the heading "What's your gender?" is followed by the text: "Your gender helps us suggest events and groups that are right for you. It won't be shared with anyone." There are three radio button options: "Female", "Male" (which is selected), and "Non-binary". At the bottom is a black "Continue" button.

Step 7 — Skip or Select Meetup+

To join for free, tap **"continue with free plan"** at the top of the screen. Paid options — not required to become member or attend events.

The screenshot shows a mobile app interface for joining Meetup+. At the top, a blue banner reads: "Complete these simple steps to join the group AWS Cloud Club at A P Shah Institute of Technology!". Below this, the heading "Join Meetup+" is followed by the text: "Get the ultimate Meetup experience, or [continue with free plan.](#)". A green arrow points to the "continue with free plan." link. Below this, there is a toggle switch for "Not sure yet? Enable free access". There are two radio button options for pricing: "Monthly" (selected, with a "Most popular" badge) at ₹1,319.00/month, and "Yearly" at ₹11,429.00/year. At the bottom is a black "Continue" button.

Step 8 — You're a Member! ☐

You are now a member of the AWS Cloud Club at A P Shah Institute of Technology! You can see the group page, browse upcoming events, and connect with the member community.

Tips for New Members

- Turn on notifications so you don't miss event announcements.
- RSVP early — workshops fill up quickly.
- Engage with other members — networking is one of the biggest benefits of the club.

Need Help?

If you face any issues during sign-up or joining the group, reach out to the group organiser via the Meetup platform, or contact us at college through the AWS Cloud Club student representatives.
